

# Schilling-Douglas School of Hair Design

March 1, 2022

## **COVID-19 Procedures for Schilling-Douglas School of Hair Design:**

Due to updated information provided from the State of Delaware and the Centers for Disease Control and Prevention that was revised on February 28<sup>th</sup>, the school has adopted the following COVID-19 procedures to keep students and educators safe in school.

- We have discontinued quarantine for close contacts EXCEPT household contacts.
- When someone tests positive, they should:
  - Isolate at home for 5 days\* and, if symptoms have resolved, return after day 5 and wear a mask in school for the next 5 days OR,
  - Isolate at home for 10\* days.

\*Count the days from the first day after symptoms or the first day after a positive test, whichever is earlier. Return date must be at least 5 days after start of any symptoms, with at least 24 hours fever-free without fever-reducing medicine.

- Any individual with COVID symptoms should stay out of school until they have tested and received the results.
- When someone is a household close contact who is up to date with their COVID vaccine, those individuals should wear a mask for 10 days following the last date of exposure in the household and get tested on day 5 following the last date of exposure.
- When someone is a household close contact who is not up to date with their COVID vaccine, one of the following options may be applied:
  - Return on day 6\*\* after a negative test on day 5 if able to wear a mask in the school for an additional 5 days.
  - Stay at home for 10 days following the last date of exposure to a positive person.

\*\*Count the days from the first day following the last date of exposure to a positive person.
